

**REMARKS**

On or about July 9, 2007, Luke K. Pedersen, Attorney for Applicant, contacted Supervisory Examiner Kamini Shah to discuss Applicants' objections to the Requirement for Information mailed February 7, 2007 in the instant application ("RFI"), and similar communications mailed in other applications of Applicants. On or about August 3, 2007, Luke K. Pedersen received a voicemail message from Supervisory Examiner Shah indicating that the RFI was vacated, and that Examiner Jones would prepare and mail a revised Requirement for Information, in the instant application. Accordingly, Applicants respectfully contend that no additional response is due regarding the RFI, and no additional fees are due from Applicants, in order to maintain the pendency of the instant application. Applicants will await a revised Requirement for Information to be mailed at a later date.

**CONCLUSION**

Applicants believe that no fee is due, since the RFI was vacated by the U.S. Patent & Trademark Office. However, the Commissioner is hereby authorized to charge any fees necessary to maintain the pendency of the instant application to Deposit Account No. 02-0384 of Baker Botts L.L.P.

If there are matters that can be discussed by telephone to further the prosecution of this application, Applicants respectfully request that the Examiner call their attorney at the number listed below.

Respectfully submitted,

BAKER BOTTS L.L.P.  
Attorneys for Applicants
